

**Detroit Free Press Names  
FANUC America a Top  
Workplace in Michigan**

**For Immediate Release**

**ROCHESTER HILLS, Mich., Nov. 17, 2014** – FANUC America Corporation, the leading supplier of robotics, CNCs, and ROBOMACHINEs has been named one of Michigan’s top 100 workplaces by the [Detroit Free Press](#) for the third consecutive year.

The list of the best places to work in Michigan is based on employee responses to an independent survey conducted by The Detroit Free Press. Companies whose workers expressed satisfaction with workplace advantages such as pay and benefits, advancement opportunities, or flexibility of schedules make the top workplace list.

“We are honored to have been recognized as a top workplace for the third consecutive year,” said Karen St. Louis, director of human resources, FANUC America.

“As Michigan’s largest supplier of automation solutions for manufacturing, we take pride in having the industry’s most talented group of professionals, and continuously strive to achieve employee satisfaction,” added St. Louis.

**About FANUC America Corporation**
