

**Detroit Free Press Names
FANUC America Corporation
a Top Workplace in Michigan**

For Immediate Release

ROCHESTER HILLS, Mich., Nov. 22, 2016 – FANUC America Corporation, the leading supplier of robotics, CNCs, and factory automation has been named one of Michigan's top 100 workplaces by the [Detroit Free Press](#) for the fifth consecutive year.

The list of the best places to work in Michigan is based on employee responses to an independent survey conducted by the Detroit Free Press. Companies whose workers expressed satisfaction with workplace advantages such as culture, pay, benefits, and amenities make the top workplace list.

"We are honored to earn this recognition for the fifth straight year," said Karen St. Louis, director of human resources, FANUC America. "It sends a strong positive message about our employees' commitment to and satisfaction with their employment at FANUC America."

"We have an amazingly talented group of professionals who are among the best in the automation industry," added St. Louis. "Their outstanding performance contributes to a thriving environment and a top workplace."
