

FOR IMMEDIATE RELEASE FOR IMTS 2010, BOOTH #S-8919

**FOR THE FIRST TIME, FANUC CNC AMERICA REPRESENTED AS A SINGLE ENTITY AT IMTS,
BOOTH #S-8919**

HOFFMAN ESTATES, IL – (July 20, 2010) For the first time in over three decades, FANUC CNC America will present a single FANUC CNC entity in the Americas at IMTS 2010, alongside FANUC Robotics America. The newly formed FANUC CNC America is the largest CNC organization in the Americas with over 350 employees solely dedicated to CNC sales, service and support. FANUC CNC America, which was formed by merging Fanuc America and GE FANUC CNC, provides customers with industry leading technology from the undeniable global leader in CNC.

At IMTS 2010, a new corporate FANUC company symbol will also be unveiled in America's market. The new symbol was created to represent the three major divisions of FANUC Ltd. Japan: FA (Factory Automation), RO (Robot) and RM (RoboMachine). The dedicated focus of FANUC in each of these three product divisions will help FANUC to continue to expand its position as a leader in CNC and Automation solutions globally. Representing FA (Factory Automation), FANUC CNC America is driven to enhance manufacturing productivity through the use of FANUC CNC's innovative, efficient and reliable CNC products.

As a subsidiary of FANUC LTD., FANUC CNC America is the exclusive provider of industry leading FANUC CNC systems and solutions in the Americas. FANUC CNC America provides a one-stop shop for comprehensive CNC solutions including industry-leading control systems, engineering, parts, and repair and factory automation solutions.

FANUC CNC America will unveil advanced CNC control innovations at IMTS 2010, Booth #S-8919. These include: new model 30i-B Series CNC Control, 0i-D/0i-DMate Control with newly enhanced functionality, new 35i-B Series CNC Control for transferline machines, new 5-axis volumetric error compensation and comprehensive industry solutions.

FANUC CNC America's will have an iPad giveaway at IMTS. To register for a chance to win an iPad, go to FANUC CNC America's Booth #S-8919. A total of six iPads will be given away. One winner will be drawn from each day's registrants; one entry per person. Winners will be notified after IMTS. *iPad is a trademark of Apple Inc.
