

# CNC TRAINING: What We Offer

## EASY WAYS TO REGISTER [with appropriate form]

By Email: [training@FANUCAmerica.com](mailto:training@FANUCAmerica.com)

By Phone: 888-FANUC-US (888-326-8287) Select 2, 4

Please see [www.FANUCAmerica.com/cnctraining](http://www.FANUCAmerica.com/cnctraining) for course descriptions, prerequisites and much more.

Instructor-Led Courses	Course Number	Course Length	2023 Price
FANUC Usage & Maintenance	TRCNC40-501	4 Days	\$2,226
FANUC Usage & Maintenance - Instructor Led Virtual Training	TRILVT40-501	4 Days	\$2,226
Understanding the FANUC Power Motion iA System	TRCNC40-236	4 Days	\$2,226
FANUC Intensive Maintenance	TRCNC40-601	4 Days	\$2,226
Understanding the FANUC PMC System	TRCNC40-298	4 Days	\$2,226
Understanding the FANUC PMC System - Instructor Led Virtual Training	TRILVT40-298	4 Days	\$2,226
Understanding the FANUC Alpha i Servo System	TRCNC40-295	4 Days	\$2,226
Motor Tuning with FANUC Servo Guide	TRCNC30-496	3 Days	\$1,950
Developing the PMC with FANUC Ladder-III	TRCNC30-490	3 Days	\$2,220
Developing the PMC with FANUC Ladder-III - Instructor Led Virtual Training	TRILVT30-490	3 Days	\$2,220
Developing the HMI with FANUC Picture	TRCNC30-491	3 Days	\$2,220
Developing the HMI with FANUC Picture - Instructor Led Virtual Training	TRILVT30-491	3 Days	\$2,220
FANUC Robot & Machine Tool Integration	TRRMT40-701	4 Days	\$2,962
G-Code Programming & Operation	TRCNC40-396	4 Days	\$2,226
G-Code Programming & Operation - Instructor Led Virtual Training	TRILVT40-396	4 Days	\$2,226
FANUC Setup, Programming & Machining	TRCNC40-301	4 Days	\$2,226
FANUC Setup, Programming & Machining: ROBODRILL Addition	TRRBD10-303	1 Day	\$557
FANUC Setup, Programming & Turning	TRCNC40-302	4 Days	\$2,226
Custom Macro Programming	TRCNC40-391	4 Days	\$2,226
Custom Macro Programming - Instructor Led Virtual Training	TRILVT40-391	4 Days	\$2,226
Understanding FANUC 4- & 5-Axis Functions	TRCNC30-351	3 Days	\$2,220
Understanding the FANUC ROBODRILL	TRRBD40-501	4 Days	\$2,226

Instructor-Led Courses at Customer Site (maximum 8 students)	Course Number	Course Length	2023 Price
FANUC Usage & Maintenance	TRCUS40-501	4 Days	\$16,560
Understanding the FANUC Power Motion iA System	TRCUS40-236	4 Days	\$16,560
FANUC Intensive Maintenance	TRCUS40-601	4 Days	\$20,240
Understanding the FANUC PMC System	TRCUS40-298	4 Days	\$20,240
Understanding the FANUC Alpha i Servo System	TRCUS40-295	4 Days	\$20,240
Developing the PMC with FANUC Ladder-III	TRCUS30-490	3 Days	\$18,864
Developing the HMI with FANUC Picture	TRCUS30-491	3 Days	\$18,864
G-Code Programming & Operation	TRCUS40-396	4 Days	\$20,240
Custom Macro Programming	TRCUS40-391	4 Days	\$20,240
eLearn Courses	Course Number	Course Length	2023 Price
FANUC Foundations	TRCOLP-102	.75 Hour	\$0
FANUC CNC Usage & Maintenance <i>CNC Guide highly recommended (not included)</i>	TRCOLM-501	25 Hours	\$548
Understanding the FANUC PMC System <i>CNC Guide highly recommended (not included)</i>	TRCOLM-298	30 Hours	\$548
Understanding the FANUC αi Servo System	TRCOLM-295	20 Hours	\$450
FANUC CNC Usage & Operations	TRCOLP-131	7.5 Hours	\$158
Manual Guide i Programming - Mill	TRCOLP-341	25 Hours	\$558
Manual Guide i Programming - Lathe	TRCOLP-342	25 Hours	\$558
CNC G-Code Setup, Programming & Machining	TRCOLP-432	32 Hours	\$584
CNC G-Code Setup, Programming & Turning	TRCOLP-433	32 Hours	\$584
Custom Macro Programming	TRCOLP-335	20 Hours	\$448
CNC Integrator Basic Training <i>Requires full access to CNC Guide and Ladder-III (not included)</i>	TRCOLI-412	20 Hours	\$550
Dual Check Safety Principles	TRCOLI-421	4 Hours	\$200
Developing the HMI with FANUC Picture <i>Requires full access to CNC Guide and FANUC Picture Development (not included)</i>	TRCOLI-491	20 Hours	\$550
Downloadable CNC Simulation Software Guide	Part # A08B-9010-J766#ZZ99		\$226
