## FANUC America Corporation - FANUC CNC training course registration and facility information

### Registration information:

- You are not officially enrolled for the course until you receive confirmation from FANUC America Corporation - FANUC CNC (FAC - FANUC CNC).
- Non-U.S. Citizens: Due to United States export regulations, additional documentation is required for non-U.S. citizens to attend training courses. Please call (888-326-8287) for details.

### Course pricing, payments and cancellation:

- FAC - FANUC CNC reserves the right to cancel a course at any time and is not responsible for non-refundable travel arrangements.
- Cancellation of course registration is done at no charge if FAC - FANUC CNC is notified in writing with a minimum of 7 business days' advance notice.
- Cancellation of course registration with less than 7 business days' advance notice will be charged for the course and may be rescheduled. Attendance must be within 6 months of the original course date.
- The full fee will be charged for students who fail to attend the course without notice.
- FAC - FANUC CNC reserves the right to cancel, postpone, or otherwise delay training due to circumstances beyond its control.
- The prices quoted for training courses are valid for 30 days and thereafter, such prices are subject to change without notice. Prices quoted do not include sales, use or excise taxes or duties unless expressly noted, and are the responsibility of the Purchaser. Any taxes or duties paid on the Purchaser's behalf by FAC - FANUC CNC will be invoiced back to the Purchaser with payment terms of net 30 days and a 1% service charge per month for late charges.

**\*\*NOTE:** All costs incurred for customer on-site training cancellation will be billed to the customer.

### Course details:

- Course Hours: Courses meet from 8:30 a.m. – 4:30 p.m., with a one-hour lunch break. Students may gain admission to the FAC - FANUC CNC building starting at 8:00 a.m. each day.
- Meals: Lunch will be provided each day during the training session. Breakfast, dinner and snacks are the responsibility of the student. Restaurants are located within a few minutes of the FAC - FANUC CNC facility.

### Facility requirements:

- Students at the FAC - FANUC CNC Training Center may utilize the lunchroom refrigerator, ice maker and vending machines. In-class Wi-Fi is available for students who wish to access the Internet during class breaks.
- FAC - FANUC CNC is a non-smoking facility.
  - » Smoking is allowed outside of the first floor, South entrance only, no closer than 15 feet from the building.
  - » Smoking is not allowed outside of the main entrance.
- It is the policy of FAC - FANUC CNC that the use, sale, transfer or possession of alcohol or drugs on FAC - FANUC CNC premises, vehicles, work sites or in any private vehicles parked on FAC - FANUC CNC property is prohibited. FAC - FANUC CNC strictly prohibits any individuals from attending any training session while under the influence of alcohol or drugs. If a FAC - FANUC CNC instructor determines that an individual is attending a training session while under the influence of alcohol or drugs, the individual will no longer be permitted to attend the remainder of the training session.
- FAC - FANUC CNC reserves the right, when deemed necessary by management, for authorized persons to search and inspect the property and personal items of visitors or students, including vehicles, brought onto company property in order to prevent workplace violence or theft. There should be no assumption to the right of privacy in cases regarding the protection of FAC - FANUC CNC assets or the safety of employees and guests.
- Threats, intimidating behavior or any other acts of aggression or violence in the workplace, including the possession of weapons, are not tolerated. Visitors or students engaged in violent acts on company property or against employees on the job are reported to the appropriate authorities for possible criminal or civil prosecution.

Cameras and recording: FAC - FANUC CNC prohibits the use of cameras or any other recording devices (camera phones, videotapes, etc.) in the training rooms and facility in general.

Attire: Business casual attire is required at all training sessions. No shorts, sleeveless shirts, or sandals are permitted in any training session. Students who attend a training session with inappropriate attire will be asked to leave the training session.

### While on site:

- Students are to park in "student" designated parking only.
- Only the Main entrance will be used whenever students are entering or leaving the building.
- Each student will be given a visitor badge each morning, to be returned at the end of each day. While on site, students are required to wear their visitor badge and have it clearly visible at all times.
- Unless accompanied by an escort, the second floor and warehouse areas are restricted.
